Ease of Doing Business Reforms
(<https://www.psiec.in>)

It is hereby informed to all stakeholders and general public that in order to promote Ease of Doing Business in the State, PSIEC has implemented various reforms to eliminate the need for visiting office premises and submitting physical documents for allotment of industrial plots along with providing key information about Industrial Focal Points (IFPs) online. Following reforms have been implemented to help industrialists :

- Detailed Information about the Land Bank (vacant plots) available in the State on PSIEC website
- A web based GIS application with advanced search functionality providing comprehensive information of all Industrial Focal Points along with availability of infrastructure like, electricity, water, sewerage and connectivity to railway station, airport, roads, etc
- Objective criteria for allotment of industrial land in the Industrial Focal Points
- Stipulated timelines for key services to ensure guaranteed on-time delivery to the applicants
- Transparent process of Land Allotment through E-Auction on online portal including provision for online payment, document submission and verification; thereby eliminating the need of physical touch-point
