

**(18) Installation of ATM and running canteen within premises of Industrial plots**

**18(a) 242<sup>nd</sup> Meeting of BOD dated 19.05.2008**

**Description: To allow installation of ATM and running Canteen to the allottees of industrial plots within the allotted premises; BOD's decision dated 19.05.2008**

**Decision:** The Board considered the Agenda and resolved to allow the allottees of industrial plots of different Focal Points/ Growth Centres to install ATM and run canteen in the industrial plots/sheds to cater to the requirement exclusively of their employees subject to the following conditions:-

1. Allottees shall make provision for the above facilities within the permissible built up area of the plot and ensure adherence to the zoning parameters.
2. Access/ entry to said facilities shall be from within the factory premises.
3. Maximum permissible covered area for installation of ATM & setting up of canteen shall be as under:-

<b>Purpose</b>	<b>Maximum Permissible Covered Area</b>
ATM	100 sq. ft.
Canteen	200 sq. ft.

However, under no circumstances, the allottees would be allowed to set up extension counter/branch of the Bank in the Industrial Plot.
